

Community Meeting: Current and Future Internet Service in St George

What is the current status of internet access?

What would reliable high-speed internet for all residents mean for you and for our entire community?

What is our Town's vision for the future of internet connectivity?

MAY 30, 2019 | 7:00 PM
ST. GEORGE TOWN OFFICE

Come be part of a community-wide conversation about these questions at a meeting co-hosted by the Select Board, the Connect St George Group of the Community Development Corporation, and State Representative Ann Matlack. There will be a follow-up public meeting with Charter Communications (Spectrum) on June 18th.
